

**LINCOLN**  
A PRIORY ACADEMY

May 2020

Dear Students

I wanted to send you a message to say thank you.

For most of you to have been away from school and in your homes for such a long time is something that is completely different for all of us. I know so many of you have set up a routine to your day that includes the work we have been providing from school. Your teachers really want you to keep going with this as it will mean that your learning will continue and that when we do return we will all be able to make strong progress together.

I know that your tutors and other staff are in regular contact with you and you should talk to them about your learning, how life is and if you have any worries. I know that for a lot of you, your relationship with your tutors has become so much stronger because of the situation.

Alongside your home learning I hope that you are looking after yourselves by exercising, eating well and sleeping at the right times. Things can become stressful and difficult when we are only allowed to be at home. I hope that you can remember our Lincoln Attitudes of Be Kind and Keep Going on the more challenging days.

I am not sure when we will return and exactly what it will be like for a start when we do. As soon as we know we will let you know. I am sure you are already aware of why we are having to stay at home. By doing so we allowing the NHS to do their work in saving lots of lives.

For now though stay positive, look after yourselves and keep working hard.

Yours sincerely

R Trow  
Headteacher
