

LINCOLN
A PRIORY ACADEMY

December 2017

Dear Parent/Carer

In preparation for the upcoming GCSEs, your child is invited to attend after school revision sessions. The English, Maths, Science and Humanities departments will all be hosting a 'period 6' session after school, where students can receive specialist support either generally, or with a variety of specific topics in these subjects (as outlined below). The scheduled days are as follows;

Tuesday	Wednesday	Thursday
Maths open revision – Pod C	English open revision (A5)	Science Open Revision – SC10
Humanities open Revision – Pod D	English specific topic revision (A4) (see topics below)	Science Focused revision – SC6

We feel this is a fantastic opportunity for your child to make a start with their revision for the imminent examinations. Research has shown that the earlier students start revising and constantly revisiting topics and knowledge, the more secure it is in their long term memory.

If you have any questions or require any further information, please do not hesitate to contact the Academy.

Yours sincerely,

Mr T Grummell Head of English
Mr G Westgate Head of Maths
Dr. A Pass Head of Science
Miss C Hinch Head of Humanities

Headteacher: Mr R Trow
