

# REWARDS

**REWARD POINTS** The Academy uses a reward point system to recognise student's hard work and efforts throughout lessons and involvement in enrichment programmes. Reward points are captured in ClassCharts and students are able to redeem rewards with their points via the ClassCharts reward store. All students are provided with logins and this is the same account where their homework is set.

**THE LINCOLN VALUES CARDS** are personalised postcards recognising when students have gone above and beyond one of the Lincoln Values. There are three types of Values cards each recognised at different levels in the students contribution to the Academy:

- **Lincoln Values: Courage, Curiosity, Passion, Wisdom, Generosity**
- **Lincoln Attitudes: Keep Going, Dream Big, Be Proud, Work Hard, Be Kind**
- **Lincoln Focus Words: Grit, Graft, Grow, Glory, Grace.**

Becoming a **SUBJECT CHAMPION** entails going above and beyond in a chosen curriculum area. Throughout your time at Lincoln Academy you will have the opportunities to achieve your Bronze, Silver and Gold Subject Champion Colours Tie and to progress further to become a Sixth Form Champion. Your tie will reflect your achievement, commitment and passion for a curriculum area.

As a Subject Champion, you will reflect the Lincoln Attitudes and provide an example for other pupils. To be an ambassador for the relevant curriculum area allows for the academic environment to become enriched as a whole.

The **LINCOLN BACCALAUREATE** is the overarching reward program which sees students work towards a gold star throughout the academic year. Who you are and how you present yourself to the world is as important as what you know about the world. We hold the importance of what you do outside the classroom up alongside what you do inside the classroom. Your habits will become your character, so creating good habits now is a great idea. In our academy, building character revolves around our 'Lincoln Attitudes': work hard; dream big; be kind; keep going; be proud.

We want to make sure you leave our academy not only with a great set of qualifications, but also with a sense of being a whole person who is developing into a fully-grown citizen. By working hard to achieve your baccalaureate stars this year, you will take part in a range of activities and achieve a number of personal milestones which will challenge you to be the best version of yourself.

**REWARD & ENRICHMENT TRIPS** The Academy regularly organises trips which embed and enrich the lives of the students at the Academy. Reward trips are organised to celebrate and reward student's effort both inside and outside of lessons throughout the term. Enrichment trips are fully inclusive and open to all students. However if a student's behaviour and conduct does not uphold the Academy's Values, the student's place maybe withdrawn.
