

**LINCOLN**  
A PRIORY ACADEMY

17<sup>th</sup> April 2020

Dear Parent/Carer

Once again, thank you very much for your support and patience whilst working with us keeping school work going and communicating with us in a variety of formats. As previously this maybe a call which will appear as a withheld number, but we do encourage you to respond so that we can keep in touch.

Year 11 and 13 students are all now aware that they have no examinations this summer. Over the next 2 weeks the Year 11 teachers will continue to set work in order to complete the courses with any assessments that may help provide feedback. After this time students will have completed their Year 11 work. For the students looking to follow courses with us at Lincoln Academy next year there will be specific work that should be undertaken to ensure a good start with these. More information on this will follow shortly.

In a similar way Year 13 will have completed their courses with us and our advice for them is to engage with some materials that would help them in the transition to their next steps in life.

Examination boards have now confirmed that A level results day is 13<sup>th</sup> August and GCSE results day is 20<sup>th</sup> August in the summer.

Students in Years 7 to 10 will receive work from teachers that should take approximately 1 to 2 hours per week per subject and this may include project based tasks.

In our efforts to maintain a balance between continuity of learning, routine, self-discipline and wellbeing we ask you and the students to keep checking Class Charts, which can be viewed on a smartphone, and school emails to view the latest work set by teachers. Paper copies of work have been sent out to those families that have requested. Please raise any issues that you may have in the regular contact with the tutor for us to address as best we can.

Remember to strike a balance of exercise, play, reading, talking and cooking together. This should maintain the flexibility and structure that will help students keep in good learning habits for this time and into the future when schools reopen.

We will keep you informed of an new developments with a weekly email while the Academy remains closed.

Many thanks for your assistance.

Lincoln Academy Senior Leadership Team
