

LINCOLN

A PRIORY ACADEMY

GRACE & GLORY

Lincoln Academy is part of The Priory Federation of Academies Trust. Our Trust's mission is "To improve the life chances of our students so they become true citizens of the world" through our core values of WISDOM, CURIOSITY, GENEROSITY, COURAGE and PASSION.

LINCOLN ATTITUDES

Work hard	Nurturing deeply cultured, reflective and philosophical thinkers of the future
Dream big	Empowering intellectual curiosity, active learning and inquisitiveness
Be kind	Fostering empathy, mutual respect and courtesy in a global community
Keep going	Championing integrity, resilience and the value of personal endeavour
Be proud	Igniting a sense of awe and wonder, moral conviction and ambition

WELCOME TO LINCOLN ACADEMY

We are proud of our thriving Academy. Our commitment to nurturing wisdom, curiosity, generosity, courage and passion are the cornerstones of growing true citizens of the world, empowering them to create a life of their own choosing.

These values are fostered in our Lincoln Attitudes, through which we insist that we all work hard, have big dreams, are kind to each other and keep going in the face of challenges. All of these combine to give us a great sense of pride in ourselves, our families and our Academy.

Outstanding teaching and students who are dedicated to learning, lead to strong academic progress. Extensive extra-curricular activities and trips provide amazing opportunities for personal development. They are a key part of developing confident and an open minded young adults.

Warmth and order are at the heart of our approach providing the climate for success. To this end we resolutely expect smart uniform, exemplary behaviour and high attendance. Lincoln Academy campus is world class, in which 'state of the art' teaching facilities, purpose-built sporting facilities and reflective gardens provide the ideal environment in which to learn and grow.

Popular and oversubscribed, we offer a safe and caring community, combined with an impressive variety of options and experiences to our students that are further extended as part of the Priory family of Academies.

As an 11-18 Academy, many continue onto our Sixth Form, from where we work hard to ensure that all of them proceed to university, apprenticeships or careers.

Lincoln is an exceptional Academy, rooted in a long and distinguished tradition, whilst adventurous about the future. We look forward to showing you around.

Richard Trow
Headteacher

DREAM BIG

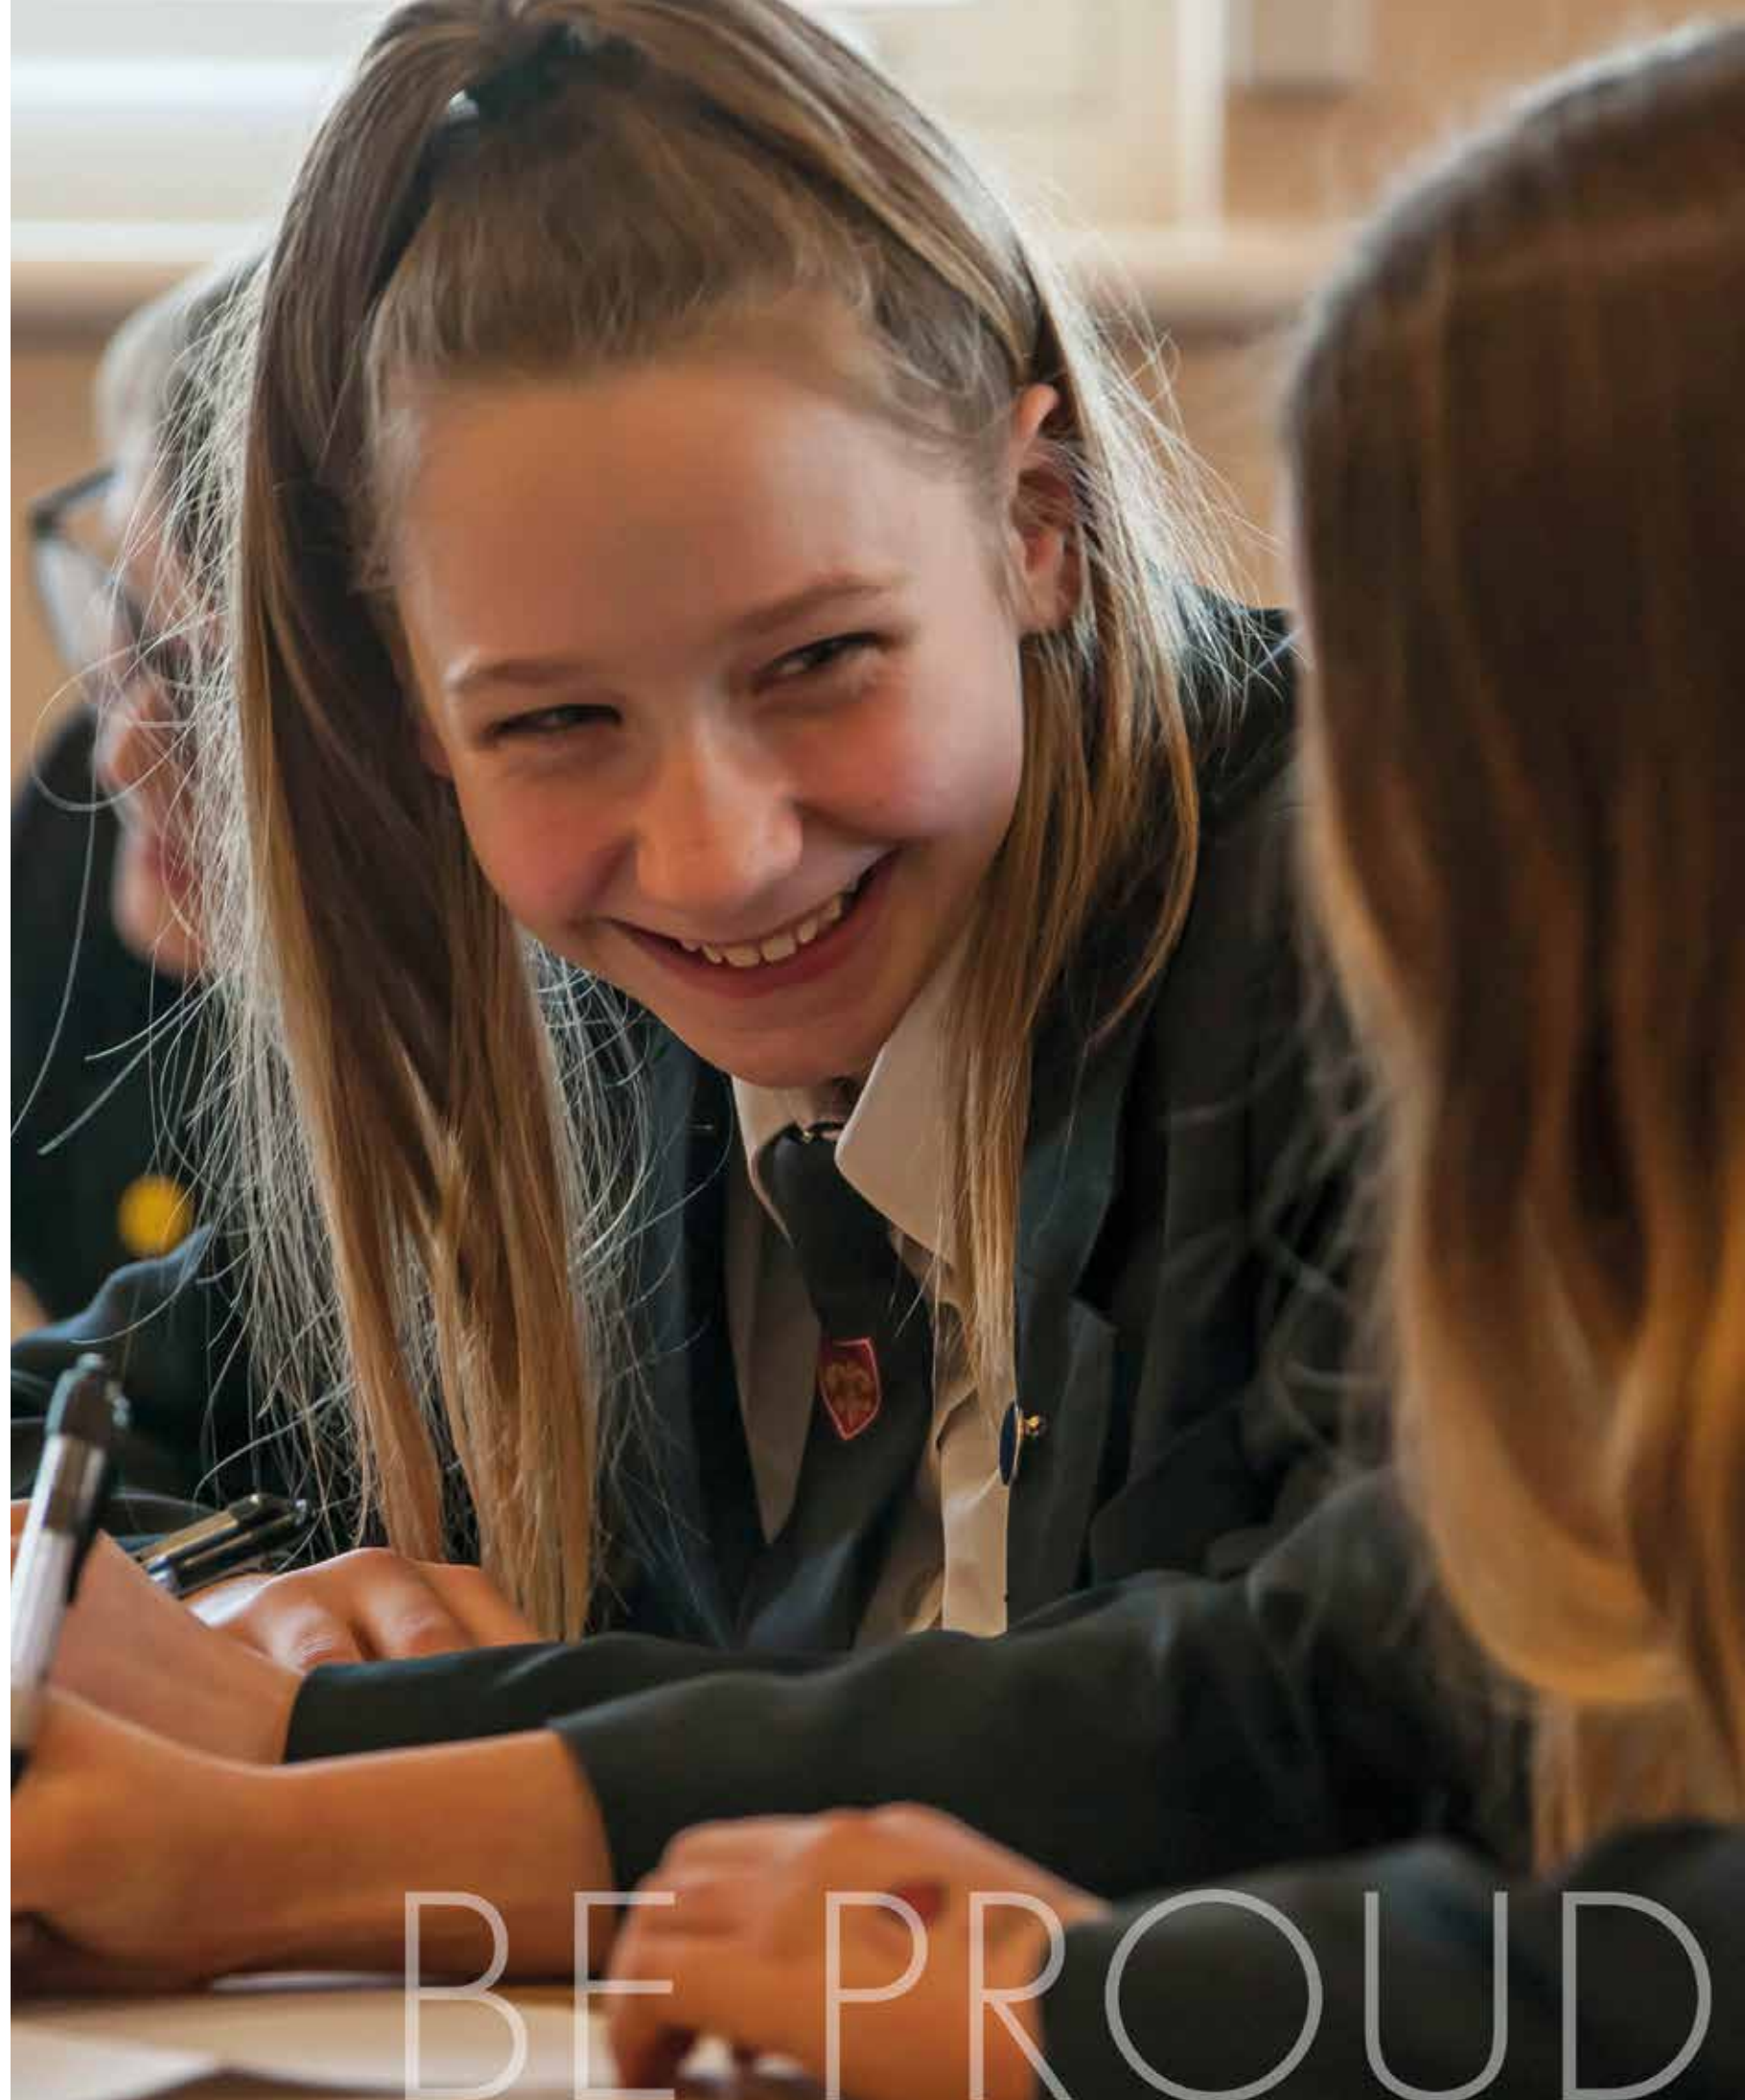

IMPROVING THE LIFE CHANCES OF OUR STUDENTS

Our balanced and deep curriculum focuses on embedding knowledge, developing understanding and honing the skills that are necessary for a successful and fulfilling life. These are fuelled by our drive to develop intellectual curiosity, resilience and a strong work ethic.

Students have a strong grounding in a broad range of subjects during their first few years. They are then ready to choose from a wide range of both academic and vocational offers that suit their needs and aspirations.

Staff are passionate about their teaching and strive to ensure that every student makes outstanding progress. Positive and warm relationships are the hallmark of our Academy, helping to make sure that students are confident to become inquisitive, reflective and active learners.

“It is not in the stars to hold
our destiny but in ourselves.”

Student - Alysha Watson (*William Shakespeare*)

GROWING TRUE CITIZENS OF THE WORLD

At Lincoln we pride ourselves on being part of a wider community and as a basis for this, all students are encouraged to participate fully in the life of the Academy.

We have high expectations that are set out in 'Lincoln Life'. Politeness, a strong work ethic, a positive attitude, resilience and impeccable behaviour form the practical characteristics that demonstrate our values. These combine to give our students a sense of pride in all they do demonstrating this through our 'Stars & Stripes' rewards and recognition schemes.

Our outstanding culture of care ensures that students feel supported and safe. Students join one of our houses, Franklin, Newton, St Hugh and Tennyson. Life in our year group and house systems is a central part of Lincoln life, growing a sense of family, belonging and responsibility. Active involvement in local and global charities empowers our students to influence change, encouraging them to make the world a better place.

Leadership is a key theme that permeates Academy life. Students in all years take on positions of responsibility with roles such as Student Council Representative, Subject Champions, or as they continue their studies into Sixth Form, our most prestigious role as Head Student.

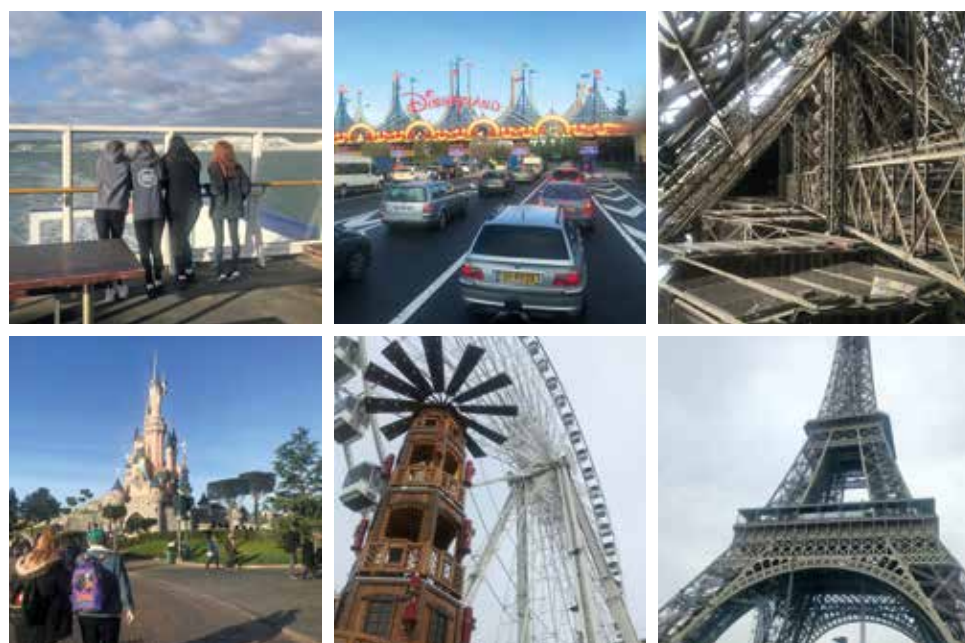

Around the Academy we insist on order and politeness. This instils a sense of calm and purpose, setting the tone for a productive working environment.

We take special care to ensure our Year 7 students settle in quickly and smoothly. This work starts in Primary school where we provide a comprehensive transition path that provides lots of exciting opportunities. This allows pupils to be confident and feel safe as they prepare for their next steps.

BE KIND

A WEALTH OF ENRICHING OPPORTUNITIES

We aim to grow young people of character who are keen to discover and develop not only their academic potential, but also their creative and sporting talents.

Taking on fresh challenges, growing teams and forging friendships mean that our students are ready to live fulfilling and adventurous lives.

There is an expectation that all students participate in our extra curricular programme. The Duke of Edinburgh's Award, our Combined Cadet Force, National Citizenship Scheme, Young Enterprise, sporting teams, drama productions, musical events and a host of other clubs and activities provide the inspiration for students to make the most of their time at Lincoln Academy.

Local, national and international trips are a regular feature of our Academy calendar. We believe they are such an essential part of growing to become independent and respectful people.

All Year 7 students are offered the opportunity to take part in a PGL experience. During a student's time in our Academy they will have the opportunity to take part in visits to Christmas markets in Europe, English theatre visits, Geography field trips to North Yorkshire and History trips to Krakow and Berlin. These all form part of the curriculum, together with opportunities to take part in a Trust wide skiing trip.

WORK HARD

“School is a building that has four walls
- with tomorrow inside.”

Student - Lloyd Henderson (Dan Valentine)

“Challenges are what make life interesting and overcoming them is what makes life meaningful”

FIRM FOUNDATIONS FOR FUTURE SUCCESS

The Sixth Form experience at Lincoln is vibrant and diverse, providing numerous opportunities afforded by being a member of a large Trust, but with the care and personalised approach that an individual Academy can offer.

Our Sixth Form provides pathways for all students, the large majority of whom go on to university, with the rest securing apprenticeships or employment.

We offer a diverse range of qualifications – academic, vocational and occupational. The partnership with our wider Trust gives us access to an unparalleled range of A Level courses and our 'state of the art' Keyworth Centre offers industry recognised occupational courses in areas such as motor vehicle maintenance and construction.

Our dedicated team of Sixth Form staff ensure that each student receives the highest standard of support and care. In addition, first class careers and university guidance helps students through every step on their journey toward achieving their aspirations.

Our Sixth Form students benefit from a comprehensive personal development programme

designed to motivate them, make the most of their talents and prepare them for the adventures to come.

We actively encourage our Sixth Form students to participate in the wider life of our academy by providing support for younger students. Sixth Form students are encouraged to become either academic or pastoral mentors. There are many other positions of responsibility for which students can apply; Prefect, Senior Prefect, Sports Leader or Reading Buddies. Our Sixth Form Student Leadership Team meets regularly with the Academy Council and the Headteacher to contribute to the leadership of the Academy. There is also a strong tradition of fundraising and community involvement.

Our first class Sixth Form facilities provide the ideal environment to study hard and enjoy life before the next exciting stage in their lives.

“Reading is dreaming
with open eyes.”

Student - Beth Lamb (Anissa Trisdianty)
