LINCOLNSHIRE CO-OP

Lincoln Co-op is one of the most successful independent consumer co-operatives in the UK, and we're proud to offer a wide range of services from our family of businesses. Established over 160 years ago, we are owned by over 300,000 members and are committed to supporting the local community.

At Lincolnshire Co-op, our purpose is bringing together ideas, energy and resources to make life better in our communities. We do this co-operatively with our members, customers, colleagues, suppliers and the organisations, businesses, charities and good causes we work with. As a co-operative, we're owned by our members, and they have a say in how we are run.

We employ over 2,800 colleagues across over 220 trading outlets in a variety of businesses, including food stores, post offices, pharmacies, travel agencies, a florist and funeral homes. We also have three volunteer-led libraries, a pharmacy warehouse, bakery and a crematorium.

ENVIRONMENT AGENCY

We are the Environment Agency. We protect and improve the environment.

We help people and wildlife adapt to climate change and reduce its impacts, including flooding, drought, sea level rise and coastal erosion.

We improve the quality of our water, land and air by tackling pollution. We work with businesses to help them comply with environmental regulations. A healthy and diverse environment enhances people's lives and contributes to economic growth.

We can't do this alone. We work as part of the Defra group (Department for Environment, Food & Rural Affairs), with the rest of government, local councils, businesses, civil society groups and local communities to create a better place for people and wildlife.

- We regulate industry for environmental pollution and protect wildlife habitats so people can enjoy the outdoors in a responsible way.
- We help reduce the risk of flooding from main rivers, reservoirs, estuaries and the sea to protect people and places.
- We measure pollution levels and where necessary take action to improve the quality of air, land and water.

We deal with incidents that affect the natural environment. We work closely with other organisations that deal with buildings, roads, the water supply and keeping neighbourhoods safe and clean.

THE NETWORK

We are a charity that provides careers advice and support for young people in and around the Lincoln area. This includes the normal careers stuff that people expect, like CVs, interview prep, flexible career planning etc. as well as support for the barriers that young people may be facing, ranging from wellbeing, to social anxiety or any other worries. Anything we can't support with directly, we'll make sure to find what else is out there and link our young people in with it

LINCOLNSHIRE COUNTY COUNCIL

With just over 5000 employees Lincolnshire County Council is one of the largest employers in the county.

We value all of our employees, and we want to ensure that we can support you in doing your job well. It is through the skills of our employees that we can become a more effective and efficient council which meets the needs of our customers.

But what do these people do? The answer to that question is a lot more than you might think. There are many misconceptions around what we do. For example we don't empty your bins but we are responsible for disposing of waste once it has been collected by your district council.

Did you know that we have a legal team full of lawyers and professionals that work for us and other businesses across the county? Or that the county's Trading Standards team are council employees and help protect consumers across the county on a daily basis?

We're a very diverse organisation working hard for our residents across the county.

To keep all this work in order the council is structured into six different director areas.

At Lincolnshire County Council our vision is 'Working for a Better Future'. We are determined that in the coming year people and communities in our area will have:

- high aspirations
- the opportunity to enjoy life to the full
- thriving environments
- good-value council services

LINCOLN ACADEMY 6TH FORM

Our Sixth form is a special place. Students and staff work together in partnership, ensuring that studying here is enjoyable challenging and rewarding. Through partnership with other Priory Academies, we offer a wide ranging curriculum with access to academic, vocational and industry based pathways.

Students have specific areas exclusively for sixth form use, a quiet study area, a computer room and a common room with sofas, microwave, kettle and fridge.

We place an emphasis on our extra-curricular provision, encouraging all students to get involved in widening and deepening their experiences through Duke of Edinburgh, Extended Project Qualification, Sports Leaders, University Summer Schools, Masterclasses and Workshops at local universities, and through Work Experience.

Our students leadership skills are developed and extended by taking on roles with responsibility in a wide variety of areas of academy life: all students have the opportunity to join The Sixth Form Senior Team or be a Prefect, Subject or Peer Mentor.

We provide a highly supportive environment for Sixth Form students. As well as regular reviews and monitoring of students' academic progress, we also offer career-centred advice and guidance. Students have regular careers interviews with staff trained in careers counselling; here a full range of options including University, apprenticeships and full-time employment are discussed.
